MODEL HOME • 15 HARRIER STREET | ROSE II

The Caraway floor plan offers 3 bedrooms, 3 full baths, a study, and an extended 2-car garage in a one-story layout at 27 Plover Street. Extra garage depth makes room for more than the daily park-and-go, while brick and stone, exterior lighting, and an 8' front door give the arrival a strong presence. Inside, the study replaces formal dining, with glass doors defining a separate workspace just off the entry. The home opens up beyond it. Wood-look tile flows through the main living areas and hallways, leading into a family room anchored by a dramatic stacked-stone woodburning fireplace reaching the ceiling. The Deluxe Kitchen holds its own with upgraded painted cabinets, quartz counters, a ceiling-height vent hood, and a fully wrapped island with a single-bowl farm sink. An electric cooktop, electric oven, and microwave support the cooking setup, while a walk-in pantry keeps supplies tucked away. The breakfast area connects the kitchen to the covered patio for an easy shift outdoors. At the rear, the primary suite includes a window seat, walk-in closet, and a bath with quartz counters, dual sinks, a garden tub, and a separate shower. A secondary suite near the front has its own full bath and walk-in closet; the third bedroom sits across the foyer near another full bath with tile extending to the ceiling. Lower cabinets add storage in the laundry room, and wood-look tile continues there for a cohesive finish. Blinds and available high-speed internet add everyday convenience. The landscaped interior lot comes with a sprinkler system, wood privacy fence, and gutters. Visit Bloomfield Homes' Mockingbird Hills model to explore this Caraway today!
