Welcome to the Violet II by Bloomfield Homes, a spacious and beautifully designed two-story home located on an interior lot with thoughtful upgrades throughout. Step onto the covered front porch and through the impressive 8-foot front door into a bright, open layout. On the main floor, you'll find a private bedroom and full bath near the entrance—perfect for guests—along with a convenient laundry and mud room and a 2.5-car garage extended by 3 feet for extra space. The large Family Room features vaulted ceilings and a tile fireplace with a box mantel, creating a warm and welcoming centerpiece. The open-concept layout flows into the Deluxe Kitchen, complete with quartz countertops, under-cabinet lighting, and a nearby Dining Area perfect for gatherings. The Primary Suite is a true retreat with dual sinks, a garden tub, separate shower, and a large walk-in closet. Upstairs, you'll find a spacious Game Room that opens into an attached Media Room, plus two additional bedrooms and a full bath—giving everyone their own space to spread out. Throughout the home, you'll enjoy window coverings, charming window seats, and durable finishes for everyday comfort. Outside, a covered back patio with lighting makes entertaining easy year-round.
