Welcome to Bloomfield's brand-new Jasmine plan, a thoughtfully crafted single-story home blending charm and functionality with 4 bedrooms and 3 bathrooms. From the inviting covered porch to the brick and stone facade and striking 8' Front Door, this residence makes a lasting impression. Inside, wide hallways, grand windows, and thoughtfully placed window seats enhance the bright, airy feel, while upgraded engineered wood flooring in the main living areas adds durability and designer appeal. The open kitchen is a true showpiece, featuring upgraded granite countertops, custom cabinetry, a generous island, and all-gas appliances. The Primary Suite offers a tranquil escape with backyard views and an ensuite bath appointed with a garden tub, walk-in closet, and refined Quartz surfaces. A spacious mud room adds convenience, and energy-efficient features like a tankless water heater deliver comfort with sustainability. This home is located in the prime master planned community of Silo Mills. Great amenities like a pavilion with picnic tables, a community pool, hike and bike trails, park, dock and more. You'll appreciate the fenced yard, rain gutters, Covered Patio with gas stub for outdoor entertaining. This home seamlessly blends style, comfort, and location.
