A large corner lot with community-maintained fencing along the back and side gives this Rockcress by Bloomfield Homes a distinctive setting in Silo Mills. The one-story layout offers 3 bedrooms, 2 full baths, and 3 garage spaces arranged as a 2-car garage plus a separate single bay. Highland Grey brick, chopped stone, and buff mortar frame an 8-foot front door stained in Pecan. Laminate flooring carries through the entry, halls, kitchen, breakfast area, and family room, with carpet in the bedrooms and tile in the baths and laundry. The Deluxe Kitchen features Lennon granite, a herringbone tile backsplash, and under-cabinet lighting. Mindful Gray cabinets complement the counters, while the island keeps prep space connected to the family room. Gas cooking, an electric oven, and an included refrigerator handle the practical side. A stacked-stone gas fireplace extends to the ceiling, finished with a Pecan-stained cedar mantel. The rear primary suite includes a window seat, dual sinks, granite counters, and an enlarged shower with vertically laid tile and a decorative accent band. A walk-in closet completes the retreat. Two secondary bedrooms share a hall bath, and another walk-in closet adds storage to the center bedroom. The laundry room includes a washer, dryer, linen storage, and a bench with hooks near the garage entry. Take meals onto the covered patio, where a gas connection is ready for a grill. Blinds, rain gutters, landscaping, and a sprinkler system are included. Visit the Bloomfield Homes model in Silo Mills today to find out more!
