Finishing this month, quick close available! Bloomfield Homes presents the Rockcress, a single-story plan with 3 bedrooms, 3 baths and a study enclosed within a contemporary J-swing home made of brick and stone. An 8' front door opens into a wide foyer hall and clear sightlines into the family room. The kitchen is positioned at the core of the plan and finished with quartz countertops, a 5-burner gas cooktop below a wood vent hood, double ovens built into a micro-oven cabinet tower, massive walk-in pantry, and pendant lights above a functional island designed for daily routines. The family room connects directly to the kitchen and has a modern tile fireplace. Directly outside is a covered patio equipped with a gas stub for an effortless grilling set up! All 3 bedrooms are paired with full baths, supporting privacy and flexible use. The primary suite includes an enlarged shower with a bench seat, water closet, dual-sink vanity, and spacious closet. Additional enhancements include 2-inch faux wood blinds already installed, a tankless water heater, full gutters, additional exterior lighting, glass French doors at the study, tile walls in all showers, and added electrical throughout. Community amenities include a pool, playground, dog park, and trails. Visit Bloomfield Homes in Timberbrook to take a tour!
