The Rockcross by Bloomfield Homes is a beautifully upgraded 4-bedroom, 3-bathroom home with a 2-car garage, designed for modern living with comfort and style throughout. From the warm wood flooring to the grand 8' interior doors, every detail is thoughtfully chosen. The spacious living area centers around a stunning tile-to-ceiling fireplace with a cedar mantel, creating the perfect place to gather and relax. The deluxe kitchen features double ovens, a 5-burner gas cooktop, custom cabinetry, and elegant finishes—ideal for everyday cooking or entertaining. The primary suite is a true retreat, complete with a deck-mounted tub, separate shower, and dual vanities. One of the secondary bedrooms includes a private ensuite bath, offering great flexibility for guests or multigenerational living. Outside, enjoy the covered patio and front porch, both outfitted with gutters, lighting, and a gas stub for grilling—ready for outdoor entertaining. With designer touches throughout, the Rockcross by Bloomfield Homes is a perfect blend of luxury and livability. Don't miss this opportunity—tour today!
