Bloomfield's Seaberry floor plan is a stunning two-story home on a beautiful oversized quarter-acre lot, blending thoughtful design with sophisticated finishes and exceptional functionality. A brick and stone facade paired with exterior lighting and gutters offers captivating curb appeal, while an 8' Front Door makes a grand first impression as you step into the expansive foyer, where dual doors open to a private Study. Rich Wood floors run throughout much of the main level, complementing the soaring vaulted ceilings and enhancing the sense of openness. The spacious Family Room is crowned by high ceilings and anchored by a dramatic Stone-to-Ceiling Fireplace, with expansive picture windows that invite in natural light. The open-concept Deluxe Kitchen is a chef's dream, outfitted with custom cabinetry, a gas cooktop, Quartz countertops, stainless steel appliances, and a generous island with barstool seating—perfect for both meal prep and gathering. Entertainment is effortless with a first-floor Media Room and an upstairs Game Room that opens to the living area below, offering breathtaking sightlines. The Primary Suite provides a private escape, complete with a luxurious L-shaped vanity, a soaking tub, and separate shower. Additional upgrades include a tankless water heater for energy efficiency, a gas drop on the patio for future grilling, and thoughtful features like blinds, a mud room, and a stylish J-swing garage. Residents of Timberbrook enjoy access to a wealth of community amenities, including scenic trails and a fun-filled playground.
