The Caraway, a single-story plan with 3 bedrooms, 3 baths, and a 2.5-car garage. Everything is on one level, on an interior lot, with the extra half-bay of garage giving you room for a workbench or the storage that always runs short. A brick and stone exterior fronts the home behind a custom 8' front door. The Deluxe Kitchen has quartz counters and opens to the main living area. In the primary bath, the shower is enlarged over the standard footprint. Window coverings are already hung. A covered porch out front and a covered patio out back give you shade on both ends of the house, with a gas stub at the patio for the grill. Gutters, an exterior lighting system, and the energy-efficient features standard in every Bloomfield Home round it out. Come see the Caraway at Bloomfield's model in Timberbrook.
