The Primrose FE V offers 4-bedrooms, 3.5-baths and a two-story layout with 3,741 square feet designed to balance everyday function with flexible living space. A brick and stone exterior with a covered front porch and a covered patio with extended concrete at the back patio creates a polished exterior while adding usable outdoor space overlooking the backyard. Inside, revwood flooring runs through the main living areas, establishing cohesive flow as the rounded foyer has a private study with glass French doors and a formal dining space before opening into the central living area. The family room with a floor-to-ceiling stone fireplace connects seamlessly to the Deluxe Kitchen, which is equipped with built-in-stainless appliances, gas cooking, double ovens, granite countertops, a large island, walk-in pantry, pot-and-pan drawers, and upper cabinets to the ceiling. The primary suite is privately located on the first floor and includes a cozy seating area, walk-in closet and an upgraded bath with tile to ceiling shower and tub. Two additional secondary bedrooms are also located on the first floor with access to a nearby full bath. Downstairs you also have a powder bath located just off the mudroom. Upstairs, a spacious bedroom includes access to a full size bath, while the second floor also features a dedicated game room and a separate media room, creating versatile space for entertaining or relaxing. Practical features include 2-inch faux wood blinds, a tankless water heater, and a 3 car garage that adds flexibility for storage or workspace needs. Located in Timberbrook in Justin, residents enjoy access to community amenities including a playground, dog park, community pool with pool house, and trails.
