The Spring Cress II, a two-story plan with 5 bedrooms, 4 baths, and a 2.5-car garage. The third bay is a mini garage — right-sized for a golf cart, a mower, or the workshop overflow that doesn't belong in the main garage. The home sits on an interior lot behind a brick and stone exterior and a custom 8' front door. The family room centers on a fireplace with a gas starter, so it lights without kindling. The Deluxe Kitchen has quartz counters and opens to the main living area. Window coverings are already hung. A covered porch out front and a covered patio out back give you shade on both ends of the house, with a gas stub at the patio for the grill. Gutters, an exterior lighting system, and the energy-efficient features standard in every Bloomfield Home round it out. Come see the Spring Cress II at Bloomfield Homes model in Timberbrook.
