The Camellia from Bloomfield Homes is a bright and modern single-story with 3 bedrooms, 2 baths, and stylish finishes throughout. Wrapped in all brick with a charming bay window that faces the front, this home feels fresh from the curb and even better inside. Tile flooring runs through the main living areas and into the primary suite for a seamless look that's both durable and easy to maintain. The kitchen shines with contemporary stained cabinets, granite countertops, stainless steel appliances, a sleek vent hood, and a large walk-in pantry that keeps everything organized. The open layout connects the kitchen, dining, and family room, making it easy to enjoy time together or host when you want extra space. The primary suite provides privacy and features dual sinks, a spacious walk-in closet, and a large shower with tile surround. Secondary bedrooms sit near the front of the home, with one flexible enough to double as a home office or guest room. There's a covered patio so you always have a relaxing spot to enjoy the backyard. Located in Georgetown at Kings Fort, this new construction home puts you close to parks, walking paths, schools, and all the everyday conveniences of Kaufman - come visit today to take a tour!
