The Hawthorne offers 4 bedrooms, 2 full baths, a study, and a 2-car garage in a one-story layout at 3716 Brookgreen Lane. The kitchen deserves the first look. Stained Shaker cabinets bring warmth to the Deluxe Kitchen, where upgraded granite counters, a white tile backsplash, and under-cabinet lighting give the workspace a polished finish. An island anchors the room, with a pantry nearby and an electric cooktop and oven handling the cooking. The breakfast nook keeps dining connected to the action, and the open family room draws the conversation farther in. A woodburning fireplace finished in stone to the mantel adds texture and a welcoming focal point. Wood-look laminate flooring runs through the entry, kitchen, breakfast area, family room, and bedroom hall, creating a cohesive backdrop for the shared spaces. The study sits just off the foyer behind glass doors, with carpet underfoot and space to focus. The primary suite has a walk-in closet and a bath with dual sinks, upgraded quartz counters, a garden tub, and a separate shower with clear glass. Large-format tile finishes the bathroom floors, with coordinating tile at the tub and shower. Three secondary bedrooms share a full bath featuring dual sinks and quartz counters. Matte black fixtures add a crisp accent to the interior selections, while the laundry room sits near the kitchen and garage entry. Outside, brick and stone frame an 8' front door, and a covered rear patio opens to the interior lot. Visit Bloomfield Homes' Georgetown at Kings Fort model to learn more about this Hawthorne today!
