Bloomfield Homes' Laurel Plan is a lovely one-story hosting 3 bedrooms and 2 baths with nice touches throughout, with an all-brick façade that adds classic curb appeal. Designed with first-time homebuyers in mind, this smart layout offers both style and functionality in a comfortable, easy-to-maintain footprint. Inside, stunning Tile floors flow through the main living areas, making a bold first impression, while included Faux Wood blinds add both privacy and a finished look. The open-concept design seamlessly connects the dining area and kitchen to the family room, perfect for both entertaining and everyday living. In the kitchen, timeless Quartz countertops pair beautifully with the upgraded backsplash and sleek modern cabinetry, while all-electric stainless steel appliances and a stylish glass vent hood add a polished touch. A spacious island and ample pantry storage make meal prep a breeze. The expansive Primary Suite offers both comfort and function, featuring dual sinks in the ensuite, an upgraded shower, and an oversized walk-in closet that cleverly connects to the utility room—an often-overlooked yet highly convenient feature. Two secondary bedrooms enjoy their own private wing and share a well-appointed hall bath. Outdoors, a 10x10 extended concrete patio provides the perfect space for relaxing or entertaining under the open sky. Bloomfield Homes invites you to visit and experience it for yourself.
