Move-In Ready

This spacious Rose II by Bloomfield Homes offers 5 bedrooms, 4 full bathrooms, and a 2-car garage—beautifully positioned on a deep west-facing lot with a relaxing park view. Curb appeal stands out with an upgraded brick front porch, an impressive 8' front door, and an upgraded garage door with trim. A cedar fence surrounds the backyard for added privacy, and the home comes complete with full gutters, a home security system, and a whole-house surge protector already installed. Step inside to an open, light-filled layout designed for both everyday living and entertaining. The family room features 4 upgraded LED lights and centers around a direct-vent tile fireplace with a mantel. Just off the entry is a private study with elegant glass French doors—ideal for working from home. A spacious open media room with double doors upstairs adds even more flexible space. The Deluxe Kitchen shines with an upgraded backsplash, under-cabinet lighting, pendant lights over the island, and modern cabinetry with a built-in trash pull-out. A gas drop at the covered back patio makes outdoor cooking easy. The primary suite is tucked away on the main floor, offering a peaceful retreat with its own LED lighting, dual vanities, a walk-in tiled shower with seat, and a deck-mounted tub. A secondary bedroom with a full bath is also downstairs—great for guests or multigenerational living. Upstairs, you'll find 3 additional bedrooms, and 2 bathrooms. Throughout the home, you'll find upgraded tile in all bathrooms and the laundry room, plus soft carpet in the secondary bedrooms. Additional features include double flood lights, and energy-saving touches like a tankless water heater. Built by Bloomfield Homes with quality craftsmanship and thoughtful upgrades, this home is perfectly located with parks, trails, and community amenities just steps away.
