This stunning Bloomfield Seaberry II perfectly blends luxury and functionality, featuring 4 bedrooms and 4 baths with a striking brick and stone facade, upgraded brick accents, and a charming swing-style garage. A full landscape package with gutters complements the curb appeal, while inside, a refined sense of style unfolds through thoughtful upgrades and elegant finishes. Step through the impressive 8' Republic Front Door onto rich Wood-look Tile floors that extend across the main level, where soaring vaulted ceilings and horizontal metal railing overlooking the living space add architectural interest. The Deluxe Kitchen is both beautiful and functional, outfitted with Shaker-style Pure White cabinetry, Quartz counters, a gas cooktop, Double Ovens, pot and pan drawers, and a wood vent hood—all anchored by a built-in refrigerator for added convenience. The spacious Family Room centers around a dramatic Stone-to-Ceiling Fireplace that enhances the home's warmth and character. Tucked away on the first floor, the serene Primary Suite offers a spa-inspired retreat, while a second bedroom and a separate mud room with built-in storage complete the layout. The second floor impresses with full oak stairs leading to a large Game Room with a sleek metal railing in lieu of a traditional half wall, providing an open sightline below. Two additional bedrooms offer privacy, while built-in window seats add charm and utility. Additional highlights include a private Study enclosed by Glass French Doors, custom blinds throughout, and a tankless water heater for efficiency—all set on an oversized corner lot in the vibrant Union Park community, where amenities like a resort-style pool, pickleball courts, a fitness center, and more await.
