This residence exudes charm and functionality, set on an interior lot with a striking all-brick facade that enhances its timeless curb appeal. A welcoming covered porch and upgraded 8' solid wood front door with a wrought iron accent open into wide hallways and grand windows that flood the home with natural light, while upgraded cabinetry and durable Wood-look Tile flooring throughout all common areas create a cohesive, elevated feel. The open Kitchen is equipped with custom cabinetry, a gas cooktop, pot and pan drawers, a wood vent hood, and Granite countertops, combining style and practicality in this Deluxe Kitchen layout. The Primary Suite offers a private retreat with peaceful backyard views, a garden tub, a walk-in closet, and direct access to the spa-like ensuite bath. The open-concept Family Room is anchored by a cozy Tile-to-Mantel Fireplace with a warm oak mantel, perfect for relaxing or entertaining. Thoughtful upgrades such as a tankless water heater, spacious mud room, and soaring ceilings enhance the home's livability.
