Welcome to this brand-new Violet II by Bloomfield Homes, perfectly positioned on a corner oversized lot in the sought-after Somerset community. From the moment you walk through the impressive 8' front door, you'll notice the thoughtful design and upscale touches that set this home apart. Just off the entry, you'll find the first bedroom and a full guest bath, ideal for visitors or multi-generational living. The open-concept main level is anchored by a Deluxe Kitchen with built-in stainless steel appliances, a wood vent hood with pot and pan drawers beneath, and quartz countertops that pair beautifully with custom cabinetry. A mud room keeps things organized, while the vaulted ceilings in the Family Room add to the airy, open feel. The downstairs Primary Suite is a private retreat with a spa-like bath featuring dual vanities, a soaking tub, glass-enclosed shower, and walk-in closet. Upstairs, you'll find three additional bedrooms, two full baths, a Game Room, and a Media Room—plenty of space for gatherings and downtime. Step outside to enjoy a covered patio and the bonus of a playground right across the street. Living here also means access to Somerset's resort-style pool, parks, trails, and clubhouse. This home blends elegance, comfort, and community in a way you can feel from the first step inside.
