MODEL HOME • 2006 PORTRUSH LN | SEABERRY II

This Bellflower II sets 5 bedrooms, 4 full baths, 1 half bath, and a 3-car garage on an interior lot with a water view in Somerset. This two-story design gives gatherings room to grow, with the formal dining room opened directly to the family room. Wood flooring connects the main shared areas, and a corner fireplace draws attention with tile extending to the ceiling and a gas starter. Open railing along the staircase and upper hall keeps the architecture visually connected. The Deluxe Kitchen adds extra cooking capacity through double electric ovens and a gas cooktop. Upgraded quartz counters and 3 pendant lights define the island, while a walk-in pantry provides storage beyond the cabinetry. The breakfast area opens to a covered patio for meals outdoors. Glass French doors give the study a separate setting near the entry, opposite a secondary bedroom and full bath upgraded with a shower in place of the tub. The primary suite occupies the rear of the first floor, with separate vanities, upgraded quartz counters, a deck-mounted soaking tub, a separate shower, and a walk-in closet. The second level includes a game room and 3 more bedrooms, with an added bedroom and bath replacing the media room. Two bedrooms share a bath with separate sink areas, while the fifth bedroom has its own ensuite. All baths feature upgraded quartz counters and tile flooring. A mudroom and laundry room organize the garage entry, and a powder bath serves the main living areas. Upgraded brick, an 8-foot front door, a covered porch, and 3 uplights complete the arrival.
