This Caraway offers 3 bedrooms, 3 full baths, and a 2.5-car garage in a one-story design on an interior lot in Somerset. A covered front porch, upgraded 8' front door, and porte cochere give the arrival definition before the foyer opens toward the shared living spaces. The layout makes room for a dedicated media room, so movie night can have its own setting while the family room stays available for conversation. Upgraded wood flooring connects the common areas, and a tile fireplace reaching the ceiling gives the family room a strong focal point, complete with gas logs. The Deluxe Kitchen opens across an island to keep cooking and gathering connected, pairing painted cabinets with upgraded quartz counters. A gas cooktop and built-in electric oven anchor the cooking setup, with a walk-in pantry tucked nearby. The breakfast area's window seat adds a place to pause beside the table, and a door connects this space to the covered back patio. The primary suite sits at the rear, separated from the secondary bedrooms, with a bath featuring separate sink vanities, quartz counters, a garden tub, and a separate shower. A walk-in closet links directly to the laundry room. Near the front, a secondary suite includes its own bath and closet, while the remaining bedroom has another full bath close at hand. Quartz counters continue through all 3 bathrooms. The mud room and garage-adjacent laundry help organize arrivals, and the extra half-bay adds storage capacity.
