MODEL HOME • 2006 PORTRUSH LN | SEABERRY II

This Seaberry II offers 4 bedrooms, 4 full baths, and a 2-car garage in a two-story design on an interior lot in Somerset. The layout gives entertaining several places to land, from formal dining off the foyer to an upstairs game room and separate media room. A study with double doors adds another defined space near the entry, while wood flooring connects the main shared areas. At the center, the family room opens to the second floor, giving the tile-to-ceiling fireplace with gas logs room to make an impression. The Deluxe Kitchen stays connected across an island, with upgraded granite counters, an upgraded backsplash, and a single-bowl stainless-steel sink. A gas cooktop and built-in electric oven handle the cooking, and a walk-in pantry keeps supplies organized. Between the kitchen and formal dining, a butler's pantry adds serving space for longer gatherings. Breakfast space overlooks the backyard and opens to a covered patio with a gas stub for a grill. The first-floor primary suite sits at the rear with separate sink vanities, a garden tub, a separate shower with a seat, and a walk-in closet. Granite counters and upgraded tile carry through the bathrooms. Another downstairs bedroom has a full bath nearby, while the remaining 2 bedrooms occupy the upper level with 2 full baths and walk-in closets. Near the garage, the mud room and laundry help manage daily arrivals. Upgraded brick and an 8' wood-and-rain-glass front door finish the exterior.
