This Carolina IV features 4 bedrooms, 3 bathrooms, and a spacious 3-car garage on an oversized corner lot in Mansfield. Step inside to find luxurious finishes throughout, including hardwood flooring, vaulted ceilings, and patterned carpet in bedrooms. A light-filled rotunda entry opens to a private Study enclosed by glass French doors, and a Formal Dining Room perfect for hosting. The Family Room showcases a modern direct-vent fireplace and connects seamlessly to the Deluxe Kitchen, which boasts Professional Series Appliances—double ovens, a 5-burner gas cooktop, wood vent hood, pot & pan drawers, upgraded kitchen backsplash, painted cabinets, and under-cabinet lighting. Satin nickel hardware, lighting, and plumbing fixtures provide a clean, cohesive look across the home. The Primary Suite offers a private retreat with an enlarged shower, dual sinks, and a walk-in closet. Secondary bedrooms are thoughtfully positioned, and an upstairs suite includes a Game Room, full bath, and an additional bedroom—ideal for guests or multi-gen living. Outdoor features include an extended covered patio with a gas stub for grilling and a fully landscaped yard. This home also includes a tankless water heater, premium tile in all baths, multiple lighting upgrades including LED disc lights, under-cabinet lights, and uplighting for added ambiance. This home is packed with thoughtful details—schedule your private tour today and make it yours before it's gone!
