NEW! NEVER LIVED IN! Ready NOW! Sunny Corner Lot! Bloomfield's Hawthorne II boasts an elegant brick and stone exterior on a prime corner lot, with a spacious 2.5-car garage for extra storage. As you step inside, the octagonal entry sets the tone with an 8' glass front door, leading to a study with French glass doors. The open Family Room features stunning wood beams and a raised, painted beam ceiling, perfectly complemented by a sleek Tile Fireplace. Modern white cabinets, upgraded Quartz countertops, and a stylish picket kitchen backsplash elevate the Deluxe Kitchen, which also includes a convenient trash pull-out and pot and pan drawers. Engineered Wood floors extend throughout common areas, while the Primary Suite showcases an enlarged shower for a spa-like retreat. Enjoy the warmth of oak accents with an oak starter step, and charm continues outside with a fully bricked front porch and uplights that add curb appeal. This thoughtfully designed plan, complete with vaulted ceilings and ample windows, ensures a bright and inviting atmosphere throughout. Call Bloomfield at Willow Wood!
