Discover the allure of Bloomfield's Bellflower II, a captivating two-story floor plan boasting 5 bedrooms and 4.5 bathrooms. Striking Stone Elevation sets the tone for this home's elegance, while inside, the ambiance is further enhanced by a Tile-to-Ceiling Fireplace crowned with a Cedar Mantel. A deep garage offers ample space for storage or hobbies. Indulge in the upgraded brick package that adds character to the exterior. In the kitchen, pure white cabinets complement Quartz Welcome guests with a touch of sophistication as they walk through an 8' 6 Lite Front Door. Enhanced with upgraded carpet and tile, the home also features Engineered Wood floors in common areas for added luxury. Glass French Doors adorn the Study, adding privacy without sacrificing natural light. Meanwhile, in the Game Room, a Horizontal Iron Wrought Railing replaces the traditional half wall, elevating the space with a modern design. Visit Bloomfield at Willow Wood to learn more!
