This spacious Magnolia II by Bloomfield Homes offers the perfect balance of function and style across two well-designed stories, nestled on an expansive 7694 square foot lot. With 5 bedrooms and 4 full baths, including an ensuite at Bedroom 5, this layout offers comfort and flexibility for multigenerational living or hosting guests with ease. The open-concept heart of the home is anchored by a Deluxe Kitchen featuring upgraded cabinetry, granite and quartz countertops, stainless steel appliances, pot and pan drawers, and a custom wood vent hood. The island flows into the bright and airy Breakfast Nook and Family Room, where a floor-to-ceiling tile fireplace with cedar mantel adds both warmth and sophistication. The Primary Suite offers a peaceful retreat with a spa-like bath, while upstairs, 3 secondary bedrooms, a full bath, and a generous Game Room and Media Room provide ample space for entertainment and everyday living. Outside, enjoy 3 unique outdoor living areas: a covered front porch, a second-story balcony, and an extended covered back patio with gas stub, perfect for grilling and outdoor gatherings. Additional highlights include a 2.5-car garage, full gutters, tankless water heater, and flood lights with a switch at the back eave for added security and functionality. Located in the desirable Sonoma Verde community, this Magnolia II truly blends timeless curb appeal with thoughtfully selected upgrades.
