CAR GARAGE

This Hawthorne II plan by Bloomfield sits on an oversized homesite with a 3-car garage, custom 8' front door, vaulted ceilings and so much more. The exterior features a handsome stone & brick elevation that will never go out of style. Designed for function & flexibility, the layout holds 3 bedrooms downstairs and has tons of space for first-floor living. The Study is located just off the beautiful foyer, while upstairs you'll find a spacious Game Room, an additional bedroom, and a hall bath perfect for guests. Enter the first-floor Primary Suite through dual doors to experience a luxury retreat. The ensuite bath is equipped with a dual vanity, soaking tub, separate shower, and coveted walk-in closet. The hub of the home is the kitchen with an island layout, a lovely window over the sink, granite countertops, and stainless steel appliances. The laundry room is centrally located for your convenience! Other thoughtful enhancements include a Tech Center downstairs, a spacious Covered Back Porch, gutters, and a greenbelt nearby.
