The Spring Cress II by Bloomfield Homes offers 5 bedrooms, 4 baths, and a 2-car garage in the Liberty community, set on a homesite backing to a greenbelt with a park view and a large backyard. A brick and stone elevation and 8-foot front door create a welcoming entry, while full rain gutters add everyday functionality. Tall ceilings and wood flooring carry through the main living areas, leading into a family room highlighted by a floor-to-ceiling stone fireplace with a cedar mantle. The layout connects the family room to the breakfast area and a deluxe kitchen equipped with quartz countertops, built-in stainless steel appliances, a trash pull-out, and ample cabinet and prep space. The first floor includes a private study with glass French doors, a formal dining room, and a secondary bedroom with access to a full bath, along with the main living areas designed for both daily routines and gatherings. The primary bedroom includes well-placed windows for natural light and French doors that open to the bathroom, featuring a dual-sink vanity, soaking tub, separate shower, and a large walk-in closet. Upstairs, the home expands with a game room and media room, along with 3 secondary bedrooms and 2 full baths, offering flexible space for a variety of needs. Out back, the large backyard provides a more private setting with open views. Residents of Liberty enjoy community amenities including a pool, splash pad, trails, volleyball court, soccer field, basketball court, and playground.
