Thoughtful kitchen details give Bloomfield Homes' Jasmine a polished center for everyday life, with 4 bedrooms, 3 full baths, and a 2-car garage in a one-story layout at Ridge Ranch. The Deluxe Kitchen features an island cabinet wrap, under-cabinet lighting, and a glass pantry door that adds interest to a practical storage space. The island faces the family room, so preparing a meal does not mean missing the conversation. A microwave and dishwasher are included. The connected breakfast area sits beside rear windows and the door to the covered patio, making the transition from a casual meal to an evening outdoors easy. An 8-foot custom front door opens to a foyer that leads toward the shared living space, with the secondary bedrooms positioned along the opposite side from the primary suite. The primary bedroom sits at the rear and includes a bath with dual sinks, a separate tub and shower, an enclosed toilet area, and a walk-in closet. The added 3rd full bath is accessible from the central hall, while another full bath serves the front bedroom area. That extra bathroom brings useful breathing room to busy routines and overnight visits. All 3 secondary bedrooms have their own closets and can adapt to changing needs for sleep, work, or hobbies. The dedicated laundry room connects directly to the garage, keeping the everyday arrival route convenient. Visit Bloomfield Homes at Ridge Ranch to take a closer look today!
