The Bellflower II by Bloomfield Homes is a stylish 4-bedroom, 3.5-bathroom home with a 2-car garage that makes a strong first impression with its bold 8' custom front door, front uplights, and gutters. Inside, enjoy soaring vaulted ceilings, laminate wood floors in main areas, and quartz countertops throughout. The deluxe kitchen shines with a custom backsplash, under-cabinet lighting, a glass door pantry, and three pendant lights over the large island. The tile-to-ceiling fireplace with box mantel adds warmth to the open family room, highlighted by vertical stair railing above. Just off the foyer, you'll find a private study and a flexible dining room that can also serve as a media space, while a secondary bedroom with a full bath nearby provides convenience for guests. The main-level primary suite offers a quiet retreat with direct access to the family room and a spa-like bathroom. Upstairs, the open game room overlooks the family room below and connects to three additional bedrooms, two full baths, and a dedicated media room—ideal for entertaining. Thoughtful touches like window coverings, blinds, a mud room, and a covered patio with a gas stub for grilling make this home as functional as it is beautiful.
