The Cypress II offers 4 bedrooms, 3 full baths, a study, and a 2-car garage in a two-story layout at 3128 Quail Meadow Drive. A sitting area and window seat give the downstairs primary suite room to slow the pace, with a walk-in closet and a bath featuring quartz counters, dual sinks, a garden tub, and a separate shower. Two secondary bedrooms sit along the rear hall near another full bath, each with a walk-in closet. Upstairs feels like a space of its own: a game room, fourth bedroom, and third full bath create a separate setting for recreation and downtime. Quartz counters continue in both secondary baths, and tile reaches the ceiling around the downstairs tub and shower. Near the front, glass French doors enclose the study in place of formal dining, giving work or creative projects a defined room off the foyer. The kitchen brings the shared spaces back together around an island, with quartz counters, a pantry, and an adjoining breakfast area framed by a bay window. The Deluxe Kitchen layout keeps cooking connected to the family room. Laminate flooring carries through the main areas, and windows along the family room bring light into the open gathering space. From the rear hall, step onto the covered patio for another place to relax outside. A wood fence, fresh landscaping, and a sprinkler system complete the yard. Out front, the brick exterior and brick-covered porch pair with an upgraded 8' front door featuring six glass panes. Visit Bloomfield Homes' Ridge Ranch model today!
