Our charming Cypress is a single-story plan with 4 bedrooms and 2 baths. Everything is on one level, on an interior lot behind a custom 8' front door. Laminate wood floors run through most of the home. The kitchen has a custom backsplash, a gas cooktop, and an electric oven, and opens to the family room. Blinds and window coverings are already hung, and window seats are built in throughout. Out back, a covered patio opens onto the yard. Gutters and the energy-efficient features standard in every home Bloomfield Homes builds round it out. Come see the Cypress at the Bloomfield Homes model in Ridge Ranch.
