Modern single-story plan flaunting an open layout, 4 bedrooms and 3 baths from Bloomfield Homes. Chic exterior of brick and clean lines, more windows than most of our competitors, and upgraded selections that buyers want are the top highlights - great location with amenities and on-site elementary schools can't be missed either! J-swing driveway leads to the 2-car garage, a mud room provides a quick drop-off spot for shoes and laundry, and the main entry is upgraded by a custom 8' front door. RevWood laminate flooring lines the common spaces in a light, coastal-inspired color. Seamlessly connected so you never miss a moment, the island kitchen and breakfast nook are just off the Family Room, with a back patio door well-placed to allow in a fall breeze. The kitchen showcases Shaker cabinets against granite countertops and a custom backsplash, included stainless steel appliances, a single-bowl sink, pendant lights at the island, and a massive walk-in pantry! Smart bedroom distances with a junior suite alone at the front of the home, 2 bedrooms splitting a hall bath, and the primary suite tucked away looking towards the backyard. Charm of the primary suite includes a window seat, perfectly placed windows to frame a king bed, bench-seat shower, garden tub, dual sink vanity, private water closet, and roomy closet you don't have to fight over. The covered rear patio might be the best spot to enjoy coffee or watching the dog enjoy your fenced yard. Bloomfield includes a limited builder warranty, energy-efficient home features, landscaping package, and a dedicated team to help with your home journey.
