The Rockcress offers 4 bedrooms, 3 full baths, and a swing 2-car garage in a one-story design on an interior lot in Ridge Ranch. Brick and stone give the exterior a layered finish, with a custom 8-foot front door, covered porch, and exterior lighting defining the entry. The foyer leads toward an open family room, where a corner fireplace rises in stone to the ceiling above a raised hearth. Laminate wood flooring connects the shared spaces, keeping the kitchen, breakfast area, and living room visually connected. In the Deluxe Kitchen, quartz counters surround an island lit by pendants, while under-cabinet lighting brightens the surrounding work surfaces. A gas cooktop beneath a vented hood, an electric oven, and a built-in microwave handle the cooking setup. The walk-in pantry gets a glass door, adding a distinctive detail to everyday storage. A window seat in the breakfast area provides built-in seating beside access to the covered patio. The primary suite sits at the rear, apart from the secondary bedrooms, and includes its own window seat and a walk-in closet. Dual sinks, quartz counters, a garden tub, and a separate shower complete the primary bath. Across the front of the home, 3 secondary bedrooms are arranged along separate halls, with 2 full baths providing quartz counters and tub and shower combinations. The split layout keeps these rooms distinct. Near the garage entry, the laundry room includes upper cabinets and a linen closet for additional storage. A wood fence encloses the backyard, with landscaping and a sprinkler system completing the setting. Visit Bloomfield Homes' Ridge Ranch model to explore the Rockcress today!
