Bloomfield Homes' two-story Spring Cress offers 5 bedrooms, 4 full baths, a powder bath, and a 2-car garage in Ridge Ranch. A downstairs media room puts movie nights on the main level, while a separate study off the foyer provides a defined space for work or creative projects. The layout opens into a family room with a soaring ceiling and an overlook from the game room above. Laminate flooring connects the shared spaces, with tile and carpet elsewhere. The Deluxe Kitchen holds the center of the gathering area, bringing together quartz counters, an island with a farmhouse sink, pendant lighting, and a walk-in pantry tucked underneath the stairs. A gas cooktop, electric oven, and built-in microwave complete the cooking setup. The breakfast area sits at the rear, with direct access to a covered patio that gives meals and conversation an outdoor extension. Also at the rear downstairs, the primary suite includes a window seat and a bath with dual sinks, quartz counters, a soaking tub, a separate shower, and a walk-in closet. The fifth bedroom replaces the formal dining room near the entry and has a full bath nearby. Upstairs, the game room creates a second gathering area alongside 3 bedrooms, walk-in closets, and 2 full baths. A powder bath serves the shared spaces downstairs, and the laundry room sits near the garage entry. Outside, brick and stone surround a custom 8' front door and front porch on a landscaped interior lot with a sprinkler system and wood-fenced yard. Visit Bloomfield Homes' Ridge Ranch model today!
