Our bright and open Violet IV floor plan is a two-story hosting 4 bedrooms, 3.5 baths, and a 2-car garage. The primary bedroom sits downstairs, with 3 bedrooms upstairs alongside a game room and a separate media room. The home is on an interior lot behind a custom 8' front door. Laminate wood floors run through most of the home, with quartz counters throughout. The kitchen has a custom backsplash, pendants over the island, a gas cooktop, and an electric oven. Blinds and window coverings are already hung, and window seats are built in throughout. Out back, a covered patio opens onto the yard. Gutters and the energy-efficient features standard in every Bloomfield Home round it out. Come see the Violet IV at the Bloomfield Homes model in Ridge Ranch.
