Discover the Magnolia II by Bloomfield Homes, a showstopping 2-story plan designed for comfort, flexibility, and entertaining. This 5-bedroom, 4-bath home backs to lush greenbelt views with metal fencing, creating a private retreat in your own backyard. The brick and stone elevation, cedar garage door, and 8-ft iron and glass front door make a bold first impression, while the second-story porch adds architectural interest and curb appeal. Inside, you'll find an open-concept layout filled with natural light and upscale touches. The Deluxe Kitchen is a chef's dream with painted black cabinets, double ovens, quartz countertops, a 5-burner cooktop, vent hood to ceiling, pendant lighting, trash pull-out, and under-cabinet lighting — all overlooking the spacious Family Room anchored by a stone-to-ceiling wood-burning fireplace with cedar mantel. The main level features formal Dining Room, and two bedrooms, including a generous Primary Suite with window seat, walk-in closet, dual sinks, garden tub, and separate shower. A second bedroom with full bath on the main floor is ideal for guests or multi-gen living. Upstairs, enjoy 3 more bedrooms, 2 full baths, a large Game Room, and a dedicated Media Room for movie nights. Enjoy the outdoors year-round on the extended covered patio and covered front porch, both perfect for entertaining or peaceful mornings. Additional upgrades include wood flooring, blinds, gutters, and ceiling fans throughout. Backed by Bloomfield's reputation for quality and style, this home is AVAILABLE IN SEPTEMBER. Visit the Hayes Crossing model home or contact Bloomfield Homes today to schedule your tour!
