NEW! NEVER LIVED IN – Ready in October 2025! Welcome to the Spring Cress II by Bloomfield Homes — a spacious 5-bedroom, 4-bathroom home with a rare 2.5-car garage, perfect for extra storage, a workshop, or gym setup. Nestled on a quiet interior lot, this home combines luxury finishes with functional design to meet the needs of modern living. Step into soaring vaulted ceilings and a bright, open-concept layout that feels both expansive and inviting. The heart of the home is the beautifully designed kitchen featuring a double oven, stainless steel appliances, upgraded lighting, and plenty of cabinet and counter space for hosting and everyday life. The Family Room makes a bold statement with a floor-to-ceiling stone fireplace and cedar mantel, creating a cozy yet elevated focal point. A private study with glass French doors offers the ideal space for working from home, while a dedicated mud room keeps clutter out of sight. Upstairs features three more generously sized bedrooms, two full baths, a large game room, and a media room — plenty of space for relaxing, entertaining, or spreading out. Additional features include 8' interior doors, covered patio with gutters, and upgraded exterior lighting. Call or visit today at Hayes Crossing in Midlothian to learn more!
