NEW! NEVER LIVED IN – Ready in November 2025! Bloomfield's Spring Cress II is a standout 6-bedroom, 5-bath home with a 2-car garage, set on a premium lot that backs to a lush greenbelt with peaceful park views — no rear neighbors. Designed for comfort and flexibility, this home impresses from the start with 8' interior doors, soaring vaulted ceilings, and a smart layout that offers room for everyone. Inside, the open-concept living space is anchored by a floor-to-ceiling stone fireplace with a warm cedar mantel — perfect for cozy nights or holiday gatherings. The deluxe all-electric kitchen is built for serious cooking, complete with a double oven, 5-burner gas cooktop, upgraded undermount and pendant lighting, and loads of counter space for prep and serving. Need work-from-home space? The front glass-doored study adds privacy and style. A mud room just off the garage keeps things tidy, and the functional layout includes a downstairs Primary Suite plus an additional bedroom and bath — ideal for guests or multi-generational living. Upstairs delivers again with four more bedrooms, three full baths, a large game room, and a dedicated media room. Whether it's movie nights, sleepovers, or homework zones, there's space for it all. Outside, enjoy a covered patio with gutters for year-round use, and a sleek metal fence that keeps the view open while maintaining security. Lighting upgrades include 6 up lights, 4 coach lights, and 2 double flood lights for style and safety. If you're looking for a home that blends smart design, quality finishes, and an unbeatable setting, Spring Cress II checks every box. Come see it in Hayes Crossing — and get ready to fall in love.
