NEW! NEVER LIVED IN. Finishing December 2026! Bloomfield Homes' Jasmine is a single-story plan with 4 bedrooms, 3 full baths, and a 3-car garage, packed with upgrades from the curb all the way through the backyard. Cedar garage doors, an 8' front door, upgraded exterior lighting package (even specialized for holiday light installs!), gutters, and a covered front porch give the exterior a more finished presence, while the backyard features a covered patio with 17x10 extended flatwork. Upgraded wood-look tile flooring runs through the main living areas and sets up a Family Room where a stone-to-ceiling fireplace with gas logs and a cedar mantel takes center stage. The Deluxe Kitchen is equally dialed in with quartz countertops, painted cabinetry extended to the ceiling, upgraded backsplash, island cabinet wrap, pendant and under-cabinet lighting; and a professional appliance package that includes double ovens and a 5-burner gas cooktop. The Primary Suite is positioned privately at the rear and carries the upgraded finish into the bath with extensive tile work and a generous walk-in closet. Across the plan, 3 secondary bedrooms are supported by 2 additional full baths, including the added Bath 3 option, with upgraded tile selections continuing the custom look. The details keep going with 8' interior doors, window seats, blinds, a mud bench, utility upper cabinet, dedicated freezer plug, tankless water heater, and cabinet hardware pulls. Mockingbird Heights adds a playground, basketball court, and soccer field. Visit the Bloomfield Homes model in Mockingbird Heights to see just how much has been built into this Jasmine!
