MODEL HOME • 1134 S. BLUEBIRD LANE | SEABERRY II

The refrigerator, washer, and dryer with pedestals are included, leaving more of your move-in budget for making the space your own. Bloomfield Homes' Rockcress showcases 4 bedrooms, 3 full baths, and a 2-car garage in a one-story design on an interior lot in Mockingbird Heights. Wood-look tile runs throughout, giving the rooms a consistent finish. The Deluxe Kitchen makes a strong impression with painted cabinets extending to the ceiling, quartz counters, and a wrapped island beneath 2 pendant lights. A 5-burner gas cooktop, double ovens, a vent hood reaching the ceiling, under-cabinet lighting, and a trash rollout add function behind the finish. The walk-in pantry keeps supplies nearby. The family room rises beneath high-rising ceilings, with a gas log fireplace carrying stone to the ceiling and a cedar mantel adding texture. The breakfast area includes a window seat and opens to a covered patio, supplemented by a 17-by-10-foot uncovered extension for more seating or dining outdoors. The primary suite sits at the rear, with a window seat, walk-in closet, separate bath vanities, a soaking tub, and a shower with a seat. Upgraded shower tile adds detail here and in the secondary baths. Three secondary bedrooms occupy separate sections near the front, with 2 full baths serving them. A mud bench and upper laundry cabinets create useful storage near the garage entry. The exterior gets its own finishing touches through an 8-foot front door, cedar garage door, 6 uplights, and 4 coach lights.
