The home's exterior is both striking and functional, featuring a brick and stone façade, 8' front door, rain gutters, and exterior lighting. Inside, you're welcomed by wide hallways, vaulted ceilings, and continuous wood-look tile flooring that flows throughout the main areas. Natural light fills the home through large windows, enhancing the open and airy layout. At the heart of the home, the Deluxe Kitchen shines with double ovens, a 5 burner gas cooktop, custom cabinetry with pot and pan drawers, a decorative wood vent hood, and elegant quartz countertops—also found in all bathrooms. The Primary Suite is privately tucked at the rear of the home with serene views of the backyard, and includes a spa-inspired ensuite bath and walk-in closet. Additional features include a Christmas light package, 6 up lights, 2 double flood lights, dedicated laundry area, tankless water heater, and 8' interior doors throughout.
