MODEL HOME • 1134 S. BLUEBIRD LANE | SEABERRY II

A brick-lined front porch, cedar garage doors, and an upgraded 8' front door give this Jasmine by Bloomfield Homes a detailed introduction in Mockingbird Heights. The one-story layout offers 4 bedrooms, 2 full baths, and a 2-car garage on an interior homesite, with exterior lighting adding another finishing touch. RevWood laminate flooring runs through all common areas, connecting the entry to a family room framed by raised ceilings and a floor-to-ceiling stone fireplace. Gas logs and a cedar mantel complete that focal point. The kitchen shares the gathering space, pairing quartz counters with an island, a gas cooktop, and an electric oven. A pantry keeps ingredients close, while the Deluxe Kitchen layout puts preparation and serving within easy reach of the breakfast area. Here, a window seat creates a spot beyond the dining table, and the patio door connects meals inside with the covered outdoor space. The primary suite sits toward the rear with another window seat and 2 walk-in closets. Storage gets room of its own. Its bath includes dual sinks, a garden tub, and a separate shower, with upgraded tile and accents adding detail to the finishes. Across the home, 3 secondary bedrooms share another full bath and remain grouped along a hall separate from the primary suite. The laundry room sits near the garage entry and includes upper cabinets, giving supplies a place off the floor. Visit Bloomfield Homes' Mockingbird Heights to explore this Jasmine today!
