The perfect blend of space and style awaits in this stunning 4-bedroom, 3-bath home with a 2-car J-swing garage, beautifully positioned on an interior lot. Bloomfield Homes' Rockcress floor plan welcomes you with wide hallways, soaring 10' ceilings, and expansive windows that flood the space with natural light, all grounded by exquisite Tile floors and enhanced by 8' interior doors throughout the first floor and classic 2-inch blinds for a polished, move-in-ready feel. Anchoring the spacious living area is a striking Tile-to-Ceiling Fireplace with a rustic cedar mantel, creating a cozy focal point that seamlessly complements the open-concept design. The kitchen is a true centerpiece, offering custom cabinets extended to the ceiling, a sleek Quartz countertop workspace accented by under-cabinet lighting and pendant lights over the island, and stylish all-electric stainless steel appliances including a Double Oven—perfect for entertaining or everyday ease. Granite countertops continue the refined aesthetic into the bathrooms, while an upper cabinet in the laundry room adds smart functionality. A mud room just off the garage enhances organization without sacrificing charm. The private Primary Suite offers a serene retreat, with a separate shower and a nicely-sized walk-in closet. Exterior details such as an impressive 8' Front Door, a fully bricked front porch, and eye-catching cedar garage doors highlight the home's brick and stone façade, tying together curb appeal and timeless elegance.
