The Seaberry by Bloomfield Homes is a spacious and stylish 5-bedroom, 4-bathroom, 2-car garage home, perfectly situated on a corner lot with elevated curb appeal and designer finishes throughout. Step inside to discover a welcoming foyer that opens to a private Study and formal Dining Room, 8' interior doors, a dramatic tile-to-ceiling fireplace with a cedar mantel, and an open layout filled with natural light. The contemporary all-electric kitchen features painted shaker cabinets, quartz countertops, stainless steel appliances, and modern fixtures—blending beauty with functionality—and flows seamlessly into the Family Room and sunny Breakfast Nook overlooking the backyard. Upgraded tile in all bathrooms and thoughtful touches throughout the home create a refined, move-in-ready space, with tile surrounds in every secondary bathroom for durability and style. The primary suite offers a private retreat tucked at the back with spa-like finishes, while the secondary bedrooms and upstairs game room provide flexibility for any lifestyle. Bedroom 5 is conveniently located downstairs with access to a full bath, making it ideal for guests, while three additional bedrooms and two full baths upstairs surround the large game room. Enjoy outdoor living on the covered front porch or covered back patio, both complete with gutters, upgraded lighting, and ready for grilling with a gas stub in place.
