MODEL HOME • 1205 TERRAIN RD | BELLFLOWER II

A second spacious suite sets Bloomfield Homes' Bellflower IV apart, joining 5 bedrooms, 4 full baths and a 2-car garage on a corner homesite in Villages of Walnut Grove. Located on the upper level, this suite includes 2 walk-in closets and a private bath with dual sinks, a soaking tub and separate shower. It shares the floor with 2 more bedrooms, a game room and a dedicated media room featuring 5.1 surround sound. The main-floor primary suite occupies a rear corner and offers separate vanities, a soaking tub, separate shower and a generous walk-in closet. A secondary bedroom and full bath near the entry add another distinct bedroom area. The study and formal dining room give the first floor spaces beyond the open family room, where a wood-burning fireplace extends to the ceiling. Level 4 wood-look tile runs throughout the first floor except the baths, and upgraded carpet finishes the upper living spaces. The Deluxe Kitchen brings upgraded quartz countertops, a Professional Appliance Package, a 5-burner electric cooktop and double electric ovens into the mix. Decorative island wrap adds detail to the central workspace, while the adjoining breakfast area connects to the covered rear patio. Quartz countertops continue through the baths for a coordinated finish. The laundry room sits beside the primary closet and garage entry, keeping daily tasks close together. A porte cochere gives the garage approach added presence, complemented by cedar garage doors, a brick-covered front porch and an upgraded 8-foot front door. Visit Bloomfield Homes at Villages of Walnut Grove today to explore the Bellflower IV!
