Introducing Bloomfield's Caraway plan with 4 bedrooms, 3 baths, and a full 2-car garage that's been thoughtfully deepened for extra space, perfectly situated on a corner lot with an elegant brick and stone facade and cedar garage doors that elevate its curb appeal. Designed for both comfort and style, this open-concept layout showcases upgraded Tile flooring enhanced by stylish Accent Tile in the bathrooms and ambient pendant and under-cabinet lighting in the Deluxe Kitchen. The Family Room is filled with natural light from expansive windows and centers around a stunning Stone-to-Ceiling Fireplace with a cedar mantel and a wood-burning option, offering both warmth and architectural charm. The kitchen itself features all-electric stainless steel appliances, Quartz and Granite countertops, a walk-in pantry, a pull-out trash bin, utility base and upper cabinets, and smart home convenience with five Z-Wave switches. A drop-in deck mount tub adds spa-like luxury to the Primary Suite, while Bath 3 features a sleek mud-set shower. Additional highlights include blinds throughout, a dedicated mud room, bricked front porch, front uplights and double flood lights for dramatic evening presence, and a spacious 10x17 extended patio for outdoor entertaining. With an 8' Front Door, full gutters, and upgraded lighting inside and out, this home is beautifully detailed and fully equipped.
