The Caraway offers a spacious single-story layout with 4 bedrooms, 3 baths, and a 2.5-car garage with cedar doors in the Villages of Walnut Grove, thoughtfully upgraded for both style and everyday function. Wood-look tile flooring runs through the main living areas, creating a seamless, low-maintenance foundation that pairs beautifully with abundant natural light. The Deluxe Kitchen is built to impress with quartz countertops, a pull-out trash bin, under-cabinet lighting, built-in stainless steel appliances, and a double oven ideal for hosting and holiday cooking. Ample cabinetry and prep space support daily routines with ease, while the open layout keeps the kitchen connected to the dining area and Family Room. 2-inch faux wood blinds are installed throughout, adding a polished, move-in-ready finish. The Primary Suite is privately positioned and offers a spacious retreat with a drop-in deck mount tub, separate vanities each with a sink, and a walk-in closet that connects directly to the laundry room. 1 of the secondary bedrooms features its own ensuite bath, making it ideal for guests, while the remaining bedrooms are arranged within a smart and efficient footprint. Full rain gutters add long-term durability, and the extended 10x17 covered patio opens to a spacious backyard with plenty of room to relax, or host gatherings. In the Villages of Walnut Grove, peaceful surroundings meet practical convenience. Just 27 miles from Dallas, residents enjoy access to Midlothian's parks, trails, dining, and shopping, all within sought-after Midlothian ISD and without MUD or PID fees.
