MODEL HOME • 1205 TERRAIN RD | BELLFLOWER II

One-story plan with 4 bedrooms, 3 baths, and a 2-car garage, with the dining room option converted to a true 4th bedroom for added flexibility. The all-brick front exterior sets up a clean first impression with an upgraded 8' front door, cedar garage door, gutters, and exterior uplights adding definition after dark. Inside, RevWood flooring carries through the entry, kitchen, breakfast nook, family room, and halls, giving the shared spaces a continuous finish before the layout opens into the heart of the home. The Deluxe Kitchen is finished with upgraded quartz countertops, cabinetry extended to the ceiling, cabinet pulls, a detailed tile backsplash, double ovens, 3 pendant lights, and 3 undercabinet lights for extra task lighting. Just beyond, the family room centers on a fireplace finished in matte stone-look tile with a coordinated hearth, creating a strong architectural focal point without overwhelming the room. The primary suite is privately positioned and pairs a spacious bedroom with an upgraded bath featuring quartz surfaces, a drop-in deck-mount tub, tiled shower details, and a decorative mosaic accent. The 3 secondary bedrooms continue the practical layout, while upgraded tile selections carry through all 3 baths and the utility area. Upper cabinetry in the utility room adds everyday storage, and 2-inch faux wood blinds, comfort-height toilets, upgraded carpet, and a covered back patio round out the home's thoughtful finish package. Villages of Walnut Grove includes community trails for another built-in neighborhood feature.
