Thoughtfully upgraded throughout, this home combines elevated finishes with everyday comfort in a layout designed to impress from the moment you arrive. Open-concept living takes center stage with upgraded tile flooring throughout the main living areas and a floor-to-ceiling stone fireplace, creating a striking focal point in the two-story Family Room. Horizontal open railing at the stairs and along the upper hallway overlook enhances the airy feel and adds modern detail. The Deluxe Kitchen is loaded with features, including double ovens, built-in stainless steel appliances, an upgraded backsplash, under-cabinet lighting, and a convenient pull-out trash bin. Downstairs, the Primary Suite provides a drop-in deck mount tub, separate shower, comfort-height toilets, and a spacious walk-in closet. A secondary bedroom and full bath on the first floor add flexibility, while a private study with glass French doors creates the perfect work-from-home space. Upstairs, 3 additional bedrooms and 2 full baths provide room for everyone, including a pair of bedrooms connected by a Hollywood-style bath. A large game room overlooks the Family Room below, offering a space for entertainment or relaxation. Additional upgrades include 2-inch faux wood blinds throughout, full gutters, a patio ceiling fan, and a dedicated freezer plug in the garage. The homesite comes fully landscaped and fenced, and all Bloomfield homes include a builder warranty.
