MODEL HOME • 1205 TERRAIN RD | BELLFLOWER II

The Seaberry, a two-story plan with 5 bedrooms, 4 baths, and a 2-car garage. The home sits on an interior lot with walking trails through the neighborhood, behind a custom 8' front door. The family room centers on a fireplace with a cedar mantel. In the kitchen, upgraded quartz counters top an island lit by pendants overhead, with under-cabinet lighting along the run and double ovens in an all-electric setup. The primary bath has a drop-in deck-mount tub, set into its own surround rather than freestanding. Window coverings are already hung and window seats are built in throughout. A covered porch out front and a covered patio out back give you shade on both ends of the house. Gutters and the energy-efficient features standard in every Bloomfield Home round it out. Come see the Seaberry at Bloomfield's model in Villages of Walnut Grove.
