MODEL HOME • 3145 MILLER ROAD | BELLFLOWER IV

Our one-story Caraway design offers 4 bedrooms, 3 full baths, and a 3-car garage, with wood-look tile running throughout for a consistent finish. The layout gives the front secondary suite its own full bath and walk-in closet, while 2 more bedrooms share another bath across the foyer. The primary suite sits toward the rear, with separate sink vanities, a garden tub, and a separate shower. Its walk-in closet connects directly to the laundry room. Upper and base laundry cabinets add storage near the garage entry and mud room. In the center of the home, raised ceilings lift the family room around a floor-to-ceiling stone fireplace with gas logs and a cedar mantel. The Deluxe Kitchen stays open across the island, pairing quartz counters and an upgraded backsplash with cabinets extended to the ceiling. An island cabinet wrap, pendants, and under-cabinet lighting finish the kitchen. Double electric ovens and a 5-burner gas cooktop support the cooking setup, with a pantry close at hand. The breakfast area's window seat adds character beside the table, and its patio door keeps meals connected to the outdoor space. An 8' front door and covered porch shape the entry, with 8' interior doors continuing the sense of height. Visit Bloomfield Homes' Westside Preserve model today!
